

**CAPE POINT**  
VINEYARDS

## *Sauvignon Blanc*

### **Cape Point Sauvignon Blanc**

"Tropical nose of papaya, mango and grapefruit with notes of lanolin and ripe apple. Well integrated acidity on the fleshy, subtle palate".

*Silver – IWSC 2022* 85 | 255

### **Noordhoek Sauvignon Blanc**

"Punchy & vibrant on the nose with kiwi fruit, orange rind and light nettle aromas. The palate is medium-bodied with nice acidity, lightly spiced with decent depth".

*91 - Neal Martin* 150 | 375

### **Reserve Sauvignon Blanc**

"15 months on lees in older oak gives richness to balance brilliant acidity & hinted tannic grip. Focused, tight & stony, complex black-current tinged fruit".

*5 Stars. Platter's 2022* 165 | 510

### **Isliedh**

"Combining barrel-fermented Sauvignon Blanc and 20% Semillon, it comes from wind-buffed blocks at the top of the farm and is suitably Atlantic in style, with chiselled acidity, kelp, citrus and pink grapefruit flavours and fine oak".

*96 Points – Tim Atkin.* 385 | 975
