Bresaola, Prosciutto, Salami, Coppa, Belnori Black Forest Phantom, 4-month-old Cumin Boerenkaas, Wild mushroom Brie, Oak Smoked Stanford, Melba Toast, Grape Preserve, Bacon Jam, Fresh Grapes

(Serves Two)

CHARDONNAY 2022

This wine shows a complex array of citrus, apricot, oatmeal and honey flavours with strong minerality and some subtle spicy oak.

This all follows onto a wonderfully full palate with crisp acids and great length.

This Chardonnay drinks beautifully at present but try to exercise patience as it will only improve over the next 2-5 years.

R248.00

SAUVIGNON BLANC 2023

This wine offers notes of freshly picked apricots, ripe pears, limes and orange blossom with a hint of fynbos and dried herbs.

These aromas follow through on the palate with a refreshingly bright acidity and a long lingering fruity finish.

This wine drinks beautifully now, but the generosity of fruit will last for months to come. Best enjoyed on warm summer days with fresh oysters, line fish, or on its own as an aperitif.

R125.00

ISLIEDH 2023

“The finest white Bordeaux blend in the country”
- Tim Atkin MW. Isliedh is a remarkable combination of Cape Coastal Sauvignon Blanc drenched in richly textured Sémillon. Both varieties adding to the complexity of the wine. This blend offers beautiful floral notes of white orchid, rose and peach blossom. The fruit leaps from the glass unveiling a harmonious blend of white fruits, ripe nectarine, pink grapefruit, figs and lemon curd.

Hints of floral oak spice combined with fresh thyme gives the wine an extra layer of depth. The palate is rich, saline, full and textured with the classic long lasting mineral finish.

R475.00

NOORDHOEK SAUVIGNON BLANC 2022

Developed to showcase our unique terroir; a refreshing coastal style, combining elements of white grapefruit and a hint of floral fynbos.

The ocean seems to dance in your glass, notes of nori and oyster shell as well as a fresh misty sea breeze takes you right onto the beautiful Noordhoek beach.

The palate shows elegant layers of fruit with a steely minerality finished off by a fresh and vibrant acidity that creates a long lingering palate length. This wine is showing beautifully right now and will continue to develop for months to come.

R184.00

RESERVE SAUVIGNON BLANC 2022

An elegant representation of our unique terroir with hints of floral spice, cardamom, and white pepper.

The generous fruit profile showcases lemon, tangerine and ripe nectarines. Combining all the elements of our beautiful coastal setting with notes of kelp and a salty sea breeze, characteristic of Cape Point.

The delicate notes of perfumed spring blossoms with subtle hints of oak ageing gives this wine added layers of complexity. The palate is rich and textured with a pithy quality, finishing with the characteristic lengthy mineral edge.

R248.00

SAUVIGNON GRIS 2023

Sauvignon Gris is a mutation variant of Sauvignon Blanc. It has pink grapes. “Gris” refers to grapes halfway between white and red grapes.

Sauvignon Gris is mainly found in Bordeaux and Chile with only a few plantings in South Africa.

Cape Point Vineyards is one of the first producers to ever plant Sauvignon Gris in South Africa and only the second producer to bottle this unique cultivar as a single variety.

R420.00

SKIN FERMENTED SAUVIGNON BLANC 2022

This unique wine is made with extended skin contact and fermentation on the skins. This method is unique for the production of white wines. White wine usually does not spend time on the skins. This skin fermented Sauvignon Blanc boasts a vibrant core of citrus and tropical fruits, intertwined with alluring hints of vanilla, spice, and toast garnered from oak maturation.

On the pallet the wine shows great structure from the skin tannins and creaminess from the barrel maturation.

R420.00

CABERNET SAUVIGNON - MERLOT 2022

This wine is an elegant combination of Cabernet Sauvignon and Merlot. This classic blend offers beautiful dark fruit aromas, smooth, velvety tannins, and a long, lingering finish.

Black cherry, mulberry, and plum aromas leap from the glass, followed by hints of dried herbs and delicate floral spice. A hint of oak adds to the wine's complexity.

Rich, ripe black fruit flavours on the palate combine with dried plum and dark chocolate. The medium body and soft structure make this wine deliciously drinkable on any occasion.

The generosity of fruit from the Merlot beautifully balances the structure and texture of the Cabernet Sauvignon.
